

Homework #2

A. Practice tracing. Notice that the letters get lighter as you go down the page. This means you'll need to be able to write the letter on your own by the time you reach the bottom of the page. In fact you will need to fill in the bottom line on your own, without tracing at all. Have fun!

Homework #2

B. Answer these questions.

1) What does the letter अ sound like in English?

2) Write two Nepali words that begin with the letter अ.

(Write the words using the English alphabet.)

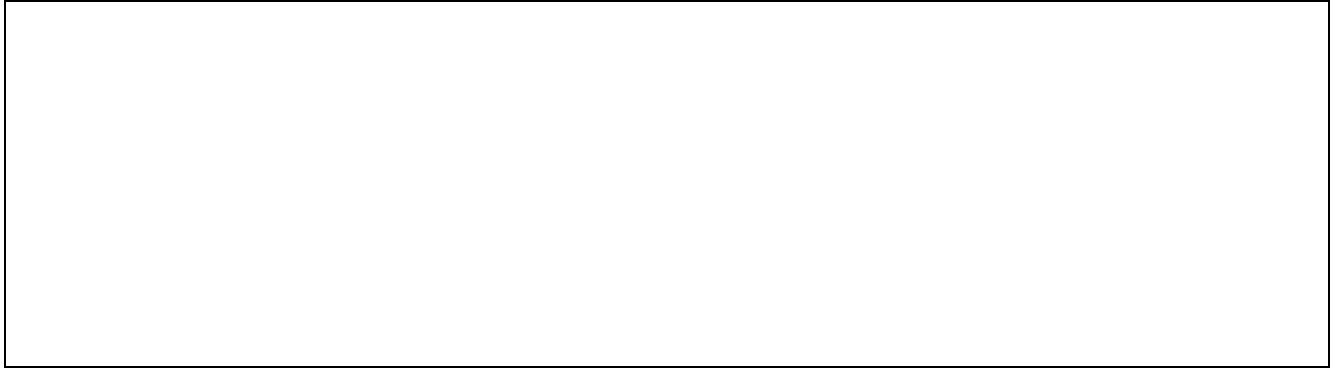

3) What English word has the sound अ in it?

4) Write two Nepali words that begin with the letter आ.

(Write the words using the English alphabet.)

Homework #2

5) Draw a picture of one of the words that begins with the letter आ.

C. Bonus Question

- 1) Write the letters अ and आ three times each without any visual help. Do this all by yourself without looking at the letters printed on the homework or shown on the video! Turn this paper around and begin writing!!

You are finished with Homework #2. Please bring the completed homework to your parents and have them check it for you. Great work!!
